**WRIT PETITION NO.24675 OF 2005**

**O R D E R (Per the Hon'ble Sri Bilal Nazki, J):**

Heard learned counsel for the parties.

The writ petition has been filed contending that an order was passed for refund of

amounts as early as in the year 2003, but actual refund has not been made. Several opportunities were given to the learned Government Pleader for getting instructions. Today, he submits that the refund vouchers have already been prepared and whenever the authorized representative of the Company approaches them, that vouchers will be handed over to him. He submits that there is difficulty in sending the vouchers to the Company as the Company is stationed at Raipur, Chattisgadh State. In this view of the matter, we direct that the vouchers be handed over to the authorized representative of the Company as and when he approaches the respondents. Needless to say that the refund amount shall be paid to the petitioner along with interest in accordance with law.

The writ petition is accordingly disposed of. No order as to costs.
